**Subject:** Newton Power Station Site Specific Alternative Deadline Request  
**Attachments:** Newton Retirement Extension.pdf

On behalf of Illinois Power Generating Company, please find attached a request to the U.S. Environmental Protection Agency for approval of a site-specific alternative deadline to initiate closure pursuant to 40 C.F.R. § 257.103(f)(2) for the Primary Ash Pond located at the Newton Power Station near Newton, Illinois.

As of today, this document will also be available for download on the company's CCR website (<https://www.luminant.com/ccr/>).

Please let me know if you have any questions about this request.

Regards,

Cynthia Vodopivec  
VP-Environmental, Health & Safety
